Web Development | Web Programming | Web Design | Webmaster

**Programming:** XHTML, CSS, ASP, VBScript, JavaScript, PHP, XML, SQL, Cold Fusion

**Operating Systems:** Macintosh OS X, OS 9, Windows

**Applications:** BBEdit, Dreamweaver, Photoshop, MS Access, FileMaker Pro, MS SQL Server

## Summary Of Major Accomplishments

Implemented real-time online credit card processing saving over 20 hours per week of manual processing. Maintained over 60 E-Commerce sites that generate approximately \$3 million annually. Created an E-Commerce solution using MySQL and ASP that consolidated the source code for these 60 domains. This saves over 10 hours per week of repetitive updating.

## Experience

*CUnet - A Nelnet Company*

10/2006 – Present

*Designer*

Update existing table-based web pages and forms using XHTML and CSS ensuring they validate against W3C standards.

Review existing web pages and forms for usability and accessibility issues and correct if necessary.

Work with sales agents to create design comps that meet documented requirements for new clients.

*Citigroup – The Student Loan Corporation*

10/2005 – 10/2006

*Developer*

Redesign intranet site to be more easily updateable by various business groups. Implement search function (including HTML pages, MS Office documents, PDFs, etc) as part of redesign.

Design and implement web-based employee recognition program that can accommodate over 200,000 users.

Promote use of intranet by business groups and uncover opportunities to increase efficiency and reduce costs by using the site as a resource.

*WWWEnterprise, Inc.*

12/2000 – 10/2005

*Director of Technical Services*

Oversee creative teams to meet project deadlines

Create, modify, and troubleshoot ASP code for over 60 domains

Maintain LAN of approx. 20 PC, Mac, Linux and VOIP devices

Manage newsletter database with over 50,000 subscribers

Coordinate marketing efforts with monthly newsletter distribution, including generation of newsletter content, layout, design, etc.

## Education

Bachelor of Science in Information Technology

2003

Rochester Institute of Technology

High Honors GPA 3.8

## Certifications

Brainbench Transcript ID: 5669360
